Helpful Tips:

- Approaching potential respondents: Introduce yourself and say that you are surveying people about their housing situation. Ask if they are willing to participate in the survey. Explain that the survey is confidential and will help our community to better respond to the needs of people experiencing homelessness.
- Use side A if you are able answer the questions in the grey box at the top of the form (initials, age, gender). We can't include the form in the official count without this information because we use it to eliminate duplicate forms.
Use side B (this side) if you cannot collect identifying information, but the person is clearly unsheltered.
- Fill out one side A for each individual. For couples and families, attach forms together and include a household I.D. at the bottom of the form (first initial and first three letters of the last name of the head of household).
- This survey may be administered any time during the week of January 28-February 3, keeping in mind we are only surveying people who slept outside on the night of Wednesday, January 28th.
- Please return all forms by February 7 to Portland Housing Bureau (421 SW 6th, Suite 500 or Fax: 503-823-2387).
