

Multnomah County Flu Shot Clinics

Oct. 5-16, 2015

Staff Meeting Talking Points

Together with Kaiser & Moda, the Benefits & Wellness Office is offering on-site flu shot clinics to employees, as part of the County’s overall efforts to promote healthy, supportive worksites.

The Clinics are Easy and Convenient.

- 30 clinics over two weeks—Oct. 5-16—in worksites across the county.

All employees are eligible.

- No cost to employees on Kaiser or Moda. **IMPORTANT: Bring your insurance ID card or mobile app!**
- \$26, cash or check, for any employee not enrolled in a County health plan. You’ll receive a receipt, and the cost may be reimbursable by your health plan or healthcare reimbursement account.

The County is paying for your time to get your shot.

- You must arrange coverage with your supervisor.
- You can go to a clinic in another building unless it is secure (marked * below).

This Year, Flu Shots Are Coming to You!
