

# Multnomah County Flu Shot Clinics

Oct. 5-16, 2015

## What You Need to Know

Together with Kaiser & Moda, the Benefits & Wellness Office is offering on-site flu shot clinics to employees, as part of the County's overall efforts to promote healthy, supportive worksites.

### The Clinics are Easy and Convenient.

30 clinics over two weeks—Oct. 5-16—in worksites across the county. Flip over for the schedule.

### All Employees are Eligible.

No cost to employees covered by Kaiser or Moda.

**IMPORTANT: Bring your insurance ID card or mobile app!**

### Not enrolled in a County Health Plan?

You are still eligible if you opt-out, or your position is part-time, temporary, or on-call.

- Pay \$26, cash or check.
- You'll receive a receipt and the cost may be reimbursable by your health plan or healthcare reimbursement account.

### The County will Pay for Your Time to Get Your Shot.

This includes time to travel to and from the clinic.

- You must talk to your supervisor to arrange coverage.
- If needed, you can go to a clinic in another building, unless it is secure and you don't have access to that building. Secure buildings are marked \* on the schedule.

### What to Bring:

Wear a shirt with short sleeves or sleeves that can be rolled up to your shoulder.

Bring proof of insurance: 1) Kaiser or Moda ID card, 2) mobile app, or 3) insurance ID number and County badge. *You will have to call Kaiser or Moda if you don't bring proof of insurance, causing longer wait times.*
