District Measure

3-594
Local option levy for fire and
emergency medical services

Question: Shall Clackamas Fire District
implement a five-year emergency services
levy at \$0.52 per \$1,000 assessed value,
beginning FY 2023-24?

Summary:
Clackamas Fire District is seeking an
enhanced five-year local-option levy to
support fire and medical response
throughout the District. Funds will be
used for:

- Additional firefighter and first responder positions in all parts of the district to improve response times, safety and effectiveness.
- Full-time, 24/7 career staffing at two rural fire stations (Logan and Clarkes) that are critical to wildfire and emergency response.
- Implementation of quick response vehicles staffed by trained firefighter paramedics for medical and other emergencies in high-volume service areas.
- Equipment and operational costs connected to wildfire preparedness and emergency response.

The levy would cost \$0.52 per thousand of assessed property value, which is \$138 per year for a typical homeowner at the median assessed value of \$266,018.

An estimate of the total amount of money to be raised for each year of the proposed levy renewal is: FY 2023-2024: \$13,806,000
FY 2024-2025: \$14,300,000 FY 2025-2026: \$14,658,000
