

PUBLIC SALE 2016 PERIODIC UPDATES AND INQUIRIES

January 19, 2016

Q1: Looking for information on 1525 NE Highland. I don't see on your website when this home will go up for auction. I have a buyer interested in this property and would like to purchase before auction if possible.

A1: While the list of properties and minimum bids for a Public Sale have not yet been finalized for Board consideration and approval, any property with a real market value greater than \$15,000 is not eligible for a Private Sale prior. Please continue to check back as announced.

Q2: I am interested in information about the tax deeds that are NOT sold at the yearly auction sale. Are they re-offered at another sale or are they available for purchase at any time? If they are available for sale at any time, where could I find them and what term is used to describe them.

A2: If the Public Sale (Sheriff's Sale/Auction) is unsuccessful, the County may sell all or a part of the real property at a Private Sale without further notice but for not less than the largest amount bid for the land at the Public Sale, or, if no bid was made, at a price the County deems reasonable. The County will post the results of the Public Sale and properties available for Private Sale.
