Amendment: Adapting Staffing Needs for the Local Public Safety Coordinating Council

The Local Public Safety Coordinating Council (LPSCC) is a statutorily required, unique and valuable collaborative body of stakeholders representing diverse parts of the public safety system. LPSCC “coordinate[s] local criminal justice policy among affected criminal justice entities” (ORS 423.560). To support this charge, staff support LPSCC through coordinating inter-agency public policy discussions, and by providing organizational and communications support. LPSCC stakeholders have identified a growing need for data and policy analytics to examine the public safety system and inform decision-making for the Council and Council Subcommittees.

This budget amendment is co-sponsored with Chair Vega Pederson to repurpose and reclassify the current 1.0 FTE Strategic Initiatives Manager to 0.5 FTE Data Analyst and 0.5 FTE Policy Analyst to reflect current staffing needs for the Local Public Safety Coordinating Council (LPSCC).
