Executive Summary

The Director's Office provides the Department of Community Justice (DCJ) with policy, program, and fiscal direction to achieve its mission of enhancing community safety and reducing criminal activity. DCJ is a 24-hour operation with over 500 regular employees. The Director's Office coordinates volunteers and interns throughout DCJ. This office also provides leadership, communication, fiscal management, research and evaluation, human resources management, and coordination across the department's divisions.

Program Summary

The Director's Office monitors the daily operations of an agency that promotes community safety through supervision and treatment resources to youth, adults, and families to address the underlying issues and problems that drive crime. It is the role of the Director's Office to hold the department accountable to county residents, the Board of County Commissioners, and system partners. From intake and assessment through discharge, the youth, adults, and families we serve receive a continuum of services to help them reintegrate into their communities and promote community safety.

In FY 2020, the Adult Services Division supervised about 11,500 probationers and post-prison justice-involved adults in the community who have been convicted of felony and misdemeanor crimes. The Juvenile Services Division provides community supervision for youth, and operates the Donald E. Long Juvenile Detention Facility, a regional facility that houses up to 64 youth daily. DCJ's Family Court Services program provides services for at-risk families as they go through separation and divorce. The Crime Victim Services Unit is responsible for advancing DCJ's long-term commitment to crime victims' rights and needs.

The Director's Office oversees administrative functions that support DCJ's direct service work. Business Services provides fiscal management of DCJ's County, State, Federal and Private Grant Funds. The Research and Planning (RAP) team promotes the use of evidence-based practices and data-informed decision-making at all levels of the department. The Business Applications and Technology (BAT) team directs the evaluation, selection, purchase, implementation, and training of effective and innovative technology solutions to enhance DCJ's effectiveness. Human Resources supports DCJ employees, including the needs of management and members of three different unions.
