Program Summary

The Department of Community Justice (DCJ) is funded by a variety of Federal, State, local, and other grant sources. The program's primary responsibility is to integrate these resources to develop a balanced budget that meets Oregon Budget Law, County policies, and the accounting practices established by the County's Chief Financial Officer. Business Services ensures that the DCJ's budget supports operations and aligns with the programs authorized by the Board of County Commissioners.

Business Services includes budget development, analysis, and tracking of numerous revenue streams, accounts receivable, accounts payable, travel/training, procurement, and administrative support. Business Services has oversight over the DCJ's budget, grants, compliance monitoring, cash handling, and financial reporting. Business Services monitors the departmental spending throughout the budget cycle so that spending occurs within the designated authority limits.
