**Executive Summary** 

This program offer includes restoration funding totaling \$172,437 for 1.00 FTE Victim Advocate and a contract increase for Victim/Offender Restorative Dialogue.

## **Program Description**

This program offer reflects a restoration of 1.00 FTE Victim Advocate to support increased workload and demand for advocacy services.

Advocates serve as a critical piece of support to victims and survivors as they navigate a confusing and often retraumatizing criminal justice system that was not built with their needs in mind. DCJ Advocates are unique in that once an individual is on supervision they can support the survivor through the entire system. Survivor safety is often in jeopardy after an individual is sentenced. DCJ Advocates are the only system-based advocates that can help them access community resources, safety plan, and provide support to the healing process. Data demonstrates that victims/survivors of crime are predominantly young, low income, and people of color.
