Executive Summary

The City of Portland has collaborated with Multnomah County and others to address specific issues of chronic offenders within the Portland area. The goal of the coordination team is to reduce offender risk, reduce re-offending and promote long-term behavioral and attitudinal change.

Program Summary

The Services Coordination Team (SCT) is a system-wide and multi-agency response to chronic and repeat offenders, who are homeless and residing in downtown Portland. The County's Department of Community Justice (DCJ) acts as a pass-through for the treatment component of SCT (currently at the Volunteers of America) and employs one Parole/ Probation Officer (PPO) and one District Attorney specifically assigned to SCT clients.

Each month offenders receive services (housing assistance, substance abuse treatment, etc.) to decrease their addiction(s) and criminal behavior. Individuals eligible for SCT are identified pre- and post-adjudication. The PPO assigned to this caseload facilitates an individualized intervention plan and coordinates with community partners to address the needs of the offenders.

The Chronic Offenders Program supports public safety by targeting the most chronic offenders and working to improve livability and safety within the community.
