Executive Summary

The Department of Community Justice (DCJ) is statutorily and legislatively mandated to provide services to local control (LC) justice involved adults in order to carry out the Local Supervisory Authority (LSA) functions. The LC Release unit is instrumental in providing all LSA functions including, but not limited to investigations, issuance of warrants, release planning, and active supervision.

Program Summary

The LC unit supervises justice-involved adults who are sentenced to a prison term of 12 months or less in a local jail. Working with the Sheriff's Office, the LC Release unit has the legal authority to issue arrest warrants and has jurisdiction over the supervision conditions for these justice involved adults. LC Release staff develop release plans and monitor adults with community-based sanctions (such as drug and alcohol treatment programs) upon the completion of their incarceration.

The LC Release unit is instrumental in holding justice-involved adults accountable by providing fair and objective investigations and parole hearings, incarceration when appropriate and providing supervision. Through collaboration with the Sheriff's Office, the Oregon State Board of Parole, treatment providers, and the community, this unit provides effective interventions and helps to ensure efficient operations of the local justice system.
