Executive Summary

The Department of Community Justice (DCJ) is statutorily and legislatively mandated to provide services to local control justice-involved individuals in order to carry out the Local Supervisory Authority (LSA) functions. The Local Control Release unit (LC) is instrumental in providing all LSA functions including, but not limited to investigations, issuance of warrants, release planning, and active supervision.

Program Summary

The Local Control Release unit supervises justice-involved individuals who are sentenced to a prison term of 12 months or less in a local jail. Working with the Multnomah County Sheriff's Office, the LC Release unit has the legal authority to issue arrest warrants and has jurisdiction over the supervision conditions for these justice-involved individuals. LC Release staff develop release plans and monitor adults with community-based sanctions (substance abuse treatment programs) upon the completion of their incarceration. When possible, LC Release staff attempt to reduce incarceration time by utilizing alternative options to jail, such as residential treatment.

The LC Release unit is instrumental in holding justice-involved individuals accountable by providing fair and objective investigations and parole hearings, incarceration when appropriate, and providing supervision. Through collaboration with the Sheriff's Office, the Oregon State Board of Parole, treatment providers, and the community, this unit provides effective interventions and helps to ensure efficient operations of the local justice system.

Performance Measures

Measure Type	Primary Measure	FY21 Actual	FY22 Budgeted	FY22 Estimate	FY23 Offer
Output	Number of release plans completed	249	500	250	250
Outcome	Percent of individuals convicted of misdemeanor or felony within 1 year of release date from local control	22%	30%	20%	20%

Performance Measures Descriptions

COVID-19 impacted local control in the "domino-effect" of restrictions on law enforcement arrest, jail capacity, home visits, District Attorney's Office, and the Judiciary. This decreased arrests, custody holds, warrants, sanctions, indictments, and court proceedings.
