Program Characteristics:

Program Description

Custody and Release Services (CRS) provides services to adults in custody. Pre-adjudication services include release eligibility determination and pre-sentence investigations. Post-adjudication services include post-prison hearings, service of sanctions and re-entry coordination. The unit includes the following functions:

- Recognizance (Recog) is a 24/7 program housed at the Multnomah County Detention Center that serves as a 24-hour liaison between law enforcement agencies and Parole-Probation Officers, coordinating the process for holding individuals for probation and post-prison violations. They also provide support to designated release assessments completed based on agreement with the Multnomah County Sheriff's Office.
- Pre-Sentence Investigations compiles case facts, conducts interviews with defendants and/or victims, and prepares court ordered reports to inform court sentencing decisions.
- Hearings and Notice of Rights Officers complete Local Control post-prison hearings, notice of rights, revocations and sanctions per Oregon Administrative Rule, meeting with individuals in jail to provide their notice of rights and impose the sanction for violations of conditions of supervision.

Equity Statement

The program supports equity through the centralized application of assessments and investigations pre-adjudication, and the violation review process post-adjudication. This ensures consistent due process and fair investigations for individuals awaiting trial and under supervision. The model aims to reduce systemic disparities by standardizing hearings and prioritizing non-custodial interventions.
