County Measure

Proposed by Initiative Petition.

26-238

Establishes residential tenant resources program, eviction representation, capital gains tax

Question: Should County create residential tenant resources program providing free lawyers, financial assistance, funded by adjustable 0.75 percent capital gains tax?

Summary:

Establishes program by ordinance to provide free, culturally specific and responsive legal representation, with translation, to persons sued in Multnomah County residential eviction proceedings (including post foreclosure) as well as related housing claims and appeals, including to maintain public housing assistance. Eviction cases postponed until lawyer can be appointed. Program administered by new Tenant Resource Office. County to contract with at least five nonprofit law firms or community-based organizations to provide services. County to administer, establish rules for discretionary award of funds for emergency rental assistance and payment of legal costs or money awards awarded to property owners. County, designated organizations to prepare annual program reports, provide education about services. County to create registry of residential rental properties. Residential property owners must inform individuals about program when serving notice of termination. Establishes new, adjustable 0.75 percent tax on net capital gains (as defined by Internal Revenue Code) of County residents, effective 2023, to fund program. Supplemental funding from recovered attorney fees, costs. Tax rate may be increased or decreased based on annual reports.

City of Gresham Measure

26-239

Five-year operating levy for police, fire, homeless and crisis response

Question: Shall Gresham increase and stabilize police, fire, homeless, crisis response with five-year levy, \$1.50/\$1,000 assessed value, beginning July 1, 2023? This measure may cause property taxes to increase more than three percent.

Summary:

Without the levy, Gresham faces a \$8 million budget shortfall and citywide layoffs. Fire and police emergency response times are already longer, delays more frequent, and first responders max out if simultaneous emergencies happen. Mental health calls take twice as long to respond to and twice as many officers.

Independent reports agree Gresham needs more police and firefighters to respond faster to emergencies, reduce crime and keep neighborhoods safe. The majority of residents polled asked the City to focus on safety and homeless response and supported providing a trained mental health crisis response. Passage of this measure would:

- Restore the Neighborhood Enforcement Team.
- Reduce response times.
- Enhance crime reduction efforts.
- Expand homeless services to evenings/weekends.
- Reduce 911 calls with a trained mental health crisis resource.

The cost of this levy on a typical Gresham home would be \$28.50 per month (with an assessed, not market, value of \$228,000).

How it will be spent:

- Police: At least 62.5%
- Fire: At least 35%
- Homeless services: No more than 2.5%

Estimated revenue:

\$13,000,000 in 2023/24

\$13,400,000 in 2024/25

\$13,800,000 in 2025/26

\$14,200,000 in 2026/27

\$14,600,000 in 2027/28

Five-year total: \$69,000,000
