Executive Summary

The Mental Health Unit (MHU) provides supervision services for probation, parole and post-prison individuals who have been diagnosed with a severe and persistent mental illness. The MHU unit works in collaboration with a variety of community partners including but not limited to the Sheriff's Office, the courts, the Department of County Human Services (DCHS), the Local Public Safety Coordinating Committee (LPSCC), Oregon Department of Corrections (DOC), Portland Police, treatment providers and most community groups that work with this population.

Program Summary

The MHU unit works to divert justice involved adults with severe mental illness from incarceration and hospitalizations by treating them in the community. By providing these individuals with community-based treatment and with supervision from specially trained Parole/Probation Officers (PPOs), the MHU unit preserves community safety and minimizes individuals contact with the criminal justice system. The goal of the MHU unit is to reduce recidivism, enhance community safety and to support the mentally ill client in achieving stabilization and improved functioning.

The MHU unit performs the following:

- 1) Improves access to appropriate services for people with severe mental illness who are at high risk of criminal justice involvement;
- 2) Reduces jail and hospital admissions;
- 3) Assists individuals in achieving a decent quality of life outside of jails, prisons and hospitals;
- 4) Provides ongoing monitoring and surveillance; and
- 5) Reduces substance abuse and illicit drug use.

This program supports public safety by providing supervision and treatment to high and medium risk individuals who require assistance in accessing resources to help them achieve a higher quality of life.
