

Division: Adult Services Division

Program Characteristics:

Program Description

The Sex Crimes Unit provides supervision, sanctions and services to adults on probation and post-prison supervision, convicted of sex offenses. This program achieves these goals through evidence-based supervision strategies and specialized assessments, combined with sexual offense specific treatment practices.

Individuals convicted of sexual offenses are required to participate in a comprehensive evaluation, sexual offense specific treatment, and ongoing evaluation of risk provided by an approved community treatment provider. The program also includes the Sex Offense Reduced Supervision (SORS) caseload that provides supervision for adults convicted of sex offenses who have been identified as low risk for sexual re-offense by validated risk assessment tools.

Equity Statement

The program supports equity by using evidence-based models and specialized training to manage individuals fairly. By standardizing risk assessments and treatment, the program reduces bias and addresses social stigma. Justice involved individuals receive needs-based oversight and equitable access to community resources. This consistent, research-informed approach promotes rehabilitation while ensuring safer communities for all.
