Executive Summary

Londer Learning Center (LLC) promotes public safety by addressing low employability, lack of education and antisocial behaviors of justice involved adults. If unaddressed, these prime risk factors often lead to increased crime, re-incarceration and unpaid restitution to victims.

Program Summary

This offer restores services provided by Londer Learning Center (LLC) for the Adult Services Division for six (6) months to allow adjustment to using educational and employment resources in the community. LLC works with Parole-Probation Officers (PPO), courts, judges, treatment providers, community colleges, and employment agencies to engage justice involved individuals in employment readiness, GED preparation, and college transition courses.

Staff at LLC will spend six (6) months researching and establishing relationships with resources in the community to assist justice involved individuals with these services. Staff will continue to provide services for individuals currently engaged in LLC services, and will individually match them with appropriate community resources before the unit closes.
