Executive Summary

The Adult Community Service Program (CS) provides an effective, cost-efficient sentence / sanction that is available to the Courts and Parole/Probation Officers. CS promotes public safety by engaging justice involved individuals in a pro-social occupation of their time, as well as teaching pro-social skills and promoting anti-criminal thinking patterns. CS assists individuals with their court mandated obligations of community service work, and provides sanctioning services to individuals on bench probation, formal probation and post-prison supervision.

Program Summary

Community Service provides the courts and Parole-Probation Officers (PPO) with a cost-effective method of holding individuals accountable while providing reparations for the community. Individuals are referred to Community Service by the Courts for both Bench and Formal Supervision and by PPOs. Courts sentence adults to community service as a condition of probation and PPOs can sanction individuals to complete community service as a consequence of a supervision violation. Many non-profit community organizations use individuals in this program for non-paid work. Along with being an alternative sanction to jail, CS also provides clients the chance to give back by improving the livability of the community through the work that is accomplished in this program.

In addition to alternative sanctions and allowing individuals the opportunity to give back to the community, Community Service also allows individuals to pay back victims of crimes by them earning money with the Restitution Work Crew program. This program will ensure individual accountability to pay back the victims of their crimes.

The Juvenile CS program has two components: Community Service and Project Payback. Youth do landscaping work and litter clean-up in much needed areas. The Juvenile Community Service/Project Payback Program provides youth with the ability to fulfill their Court mandated obligation while earning money to pay their ordered restitution. Over the past year, the Juvenile CS crews worked approximately 7,500 hours in the community and paid approximately \$44,000 in payments to the Court and individual victims for restitution. Both Community Service and Project Payback provide youth with a pro-social activity while teaching valuable skills. Youth learn landscaping techniques, hand/power tool use and maintenance, and how to safely and efficiently accomplish tasks.
