Executive Summary

The Flip the Script (FTS) initiative expands services to Black and African Americans individuals exiting incarceration and/or people in need of support in pretrial release and/or diversion services to avoid incarceration. The initial funding for this expanded initiative was provided in the FY 2022 budget as part of a public safety package that shifted funds from the traditional criminal justice system and reinvested in upstream prevention, diversion, and reentry programs focused on the Black, Indigenous and/or People of Color (BIPOC).

Program Description

Flip the Script (FTS) is designed to help Black and African Americans leave the justice system and break the cycle that sends people back to prison.

The purpose of the program is to reduce disproportionate minority incarceration by providing emergency shelter and improving employment opportunities for individuals on supervision.

Program goals are:

- Reduce racial disparities in reentry service outcomes (employment, average income, and rent-responsible housing)
- Engage African American participants in advocacy to identify common struggles and needed system changes
- Reduce recidivism and eliminate disparate rates of recidivism between racial and ethnic groups
- Demonstrate a positive return on investment for the community.

Services provided include:

- Housing: help finding a home, negotiating a lease, and paying rent;
- Employment: help creating a résumé, finding job training, and securing stable employment
- Case Management: receive advice, a customized recovery plan, and resources (e.g., transportation, food stamps, etc.)
- Peer Support: help from people who have experienced the justice system
- Advocacy: opportunities to turn life experiences into real change for people involved in the justice system
