Program Description

The Stabilization and Readiness Program (SARP) promotes and supports treatment motivation, stabilization, skill development and case management services for individuals on supervision with severe and persistent mental illness who are also experiencing housing instability and homelessness. Referrals to this program are made from DCJ's Mental Health Unit (50024) or directed by the Mental Health Court Judge.

The program serves those supervised in the Department of Community Justice (DCJ) Mental Health Unit (MHU) who are (1) not ready to engage with mental health treatment; (2) are waiting to enter mental health treatment; or (3) are unable to access the appropriate level of care in the community.

SARP serves individuals who are: (1) on probation or post-prison supervision;

(2) experiencing housing instability or homelessness; (3) have been diagnosed with severe and persistent mental illness.

Program staff are specially trained to address the specific needs of individuals needing access to treatment for mental health and substance abuse, as well as health management and housing support.

Objectives include:

- -- Enhancing treatment motivation.
- -- Facilitating treatment engagement.
- -- Increasing community and system navigation skills

Strategies used:

- -- One point of access for basic needs.
- -- Coordinated care and continuity of services.
- -- Coordination with Parole-Probation Officer and the Court.
- -- Evidence-based case management and supervision practices.
- -- Trauma-informed programming and space design.

Most recent data show that of 216 unique individuals who utilized SARP services, 78% engaged in skill development or case management services on their first visit. 61% obtained housing, 73% entered treatment.
