**Executive Summary**

Juvenile Detention protects the community by holding youth in custody when it has been determined that they are a serious risk to public safety and/or are a high risk to not appear for court. In 2017, over 750 youth were brought to Juvenile Detention for intake screening. This offer funds 56 of the 72 beds required to meet the County's daily detention needs.

**Program Summary**

The Juvenile Detention facility has a capacity of 191 beds. Of the 72 beds required to meet the County's daily detention needs, 34 beds are contracted and reserved for Clackamas and Washington Counties. The remaining 38 beds hold high risk Multnomah County youth who are NOT appropriate for community placement. Of those 72 beds, a unit of 16 beds must be kept available for youth who identify as female.

The ability to safely detain delinquent youth is mandated by Oregon law and is essential to community protection. The decisions made to hold youth in detention are based on the results of a validated detention screening system along with policies developed collaboratively among system stakeholders. This system has saved Multnomah County millions of dollars by safely diverting lower risk youth into less costly community placement alternatives. The ability to house tri-county youth in one facility maximizes the use of space and provides the flexibility needed to structure units according to age and gender.

Funding for the County's 56 detention beds allows for Intake services and housing arrangements for youth who are awaiting trial, who are parole violators, who have serious probation violations, or those who are on out-of-state holds awaiting return to their jurisdiction.
