**Executive Summary**

Juvenile detention alternatives in the form of short-term shelter and residential placements protect the public by safely supervising identified high risk youth in the community. Many of these youth are Latino and African American juvenile offenders. By placing these youth in culturally appropriate placements (short-term shelter care or treatment foster care), the disproportionate confinement of minority youth drops significantly. Juvenile shelter and residential placements additionally save the County significant funding each year while preserving public safety.

**Program Summary**

Oregon Revised Statute (ORS) 419C.145 defines the circumstances under which a juvenile offender may be placed in custody. A youth having committed a felony crime, accumulated a history of warrants for failure to appear in court, engaged in probation or conditions of release violations, or participated in certain person to person misdemeanors, is eligible for custody. Further stipulated in this statute are mandates that allow these youth to be released to a parent, shelter or other responsible party as long as their release does not endanger the welfare of the community or the youth. In FY 2013, shelter and residential placements served 123 high risk youth 12-18 years old. While in care, these youth attend school, participate in treatment and work with an assigned juvenile probation officer.
