## Multnomah

Measure No:    26-174

Caption:    Five year levy: Oregon Historical Society Library, Museum, educational programs.

Question: Shall County renew 5-year history museum, library, educational programs levy; maintain \$.05 per \$1,000 assessed value, oversight, beginning 2016?

This measure renews current local option taxes.

Summary: In 2010 voters approved a five-year local option levy of \$.05 per \$1,000 assessed property value to support the Oregon Historical Society (OHS).

Renewal of local option levy will continue support to the OHS's museum, library, educational programs, and fund the following without increasing taxes:

- Educational programs
- Free admission to school groups and Multnomah County residents
- Preservation of important Oregon treasures and artifacts
- Support four County historical societies: Fairview-Rockwood-Wilkes Historical Society, Gresham Historical Society, Troutdale Historical Society, and Crown Point Country Historical Society
- OHS will continue to build on its efforts to provide exhibits and services that reflect the diverse histories of our region, and engage all parts of our county.

Levy continues rate of \$.05 per \$1,000 assessed property value, and replaces the 2010 levy. A home assessed at \$200,000 pays \$10 a year.

An independent citizen oversight committee will review expenditures to verify that funds are used as approved by voters. Annual audits will be conducted and made public.

The levy will produce an estimated \$2.54 million for fiscal year 2016-2017; \$2.67 million for fiscal year 2017-2018; \$2.81 million for fiscal year 2018-2019; \$2.95 million for fiscal year 2019-2020; and \$3.1 million for fiscal year 2020-2021.

The estimated cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate.

## CITY OF MILWAUKIE (JT)

Measure No: 3-477

Caption: Authorizes General Obligation Bonds For Milwaukie Library Repairs and Improvements.

Question: Shall Milwaukie Be Authorized To Issue Up To \$9,200,000 Of General Obligation Bonds For Library Repairs, Improvements, and Updated Technology?

If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: The Ledding Library has served as the Milwaukie city library since December 16, 1964. At the library's dedication, the city's population was just over 12,000. Currently Milwaukie has a population of over 20,500. This measure would authorize the City to issue up to \$9,200,000 of general obligation bonds to pay for capital costs and finance issuance costs. Library and Pond House improvements include:

Providing a larger designated area for children and teen programming and learning;  
Installing security cameras in the parking lot and building exterior;  
Installing modern toilets and restroom facilities;  
Installing modern wiring, technology, and additional printers and computers;  
Replacing heating and cooling systems, with energy efficient modern systems; and  
Installing structural components to meet city earthquake standards.

This measure is estimated to result in a tax of \$0.35 per \$1,000 of assessed value per year, or approximately \$62 per year on a home assessed at \$175,000.

The bonds may be issued in multiple series and each series may mature over no more than 20 years. Property taxes are assessed after bonds are issued.

## CITY OF TROUTDALE

Measure No: 26-172

Caption: Clarifies mayor, councilors may discuss city business with city manager.

Question: Shall charter authorize mayor and council discussions with city manager?

Summary: Under the existing charter section, it is not clear that councilors may talk to the city manager about concerns they may have concerning staff, city contracts, or city property. This amendment makes clear that councilors may discuss their concerns, so long as their actions do not coerce the city manager into actions the manager might not otherwise take. It requires that such discussions comply with the public meetings laws and other laws.

SCAPPOOSE RURAL FIRE

Measure No: 5-254

Caption: Replacement Local Option Levy For Fire And Emergency Medical Response

Question: Shall Scappoose Fire maintain emergency response services by levying \$1.24 per \$1,000 assessed property value for five years, beginning FY17? This measure may cause property taxes to increase more than three percent.

Summary: This proposed levy would replace and increase the current levy which expires June, 2017. This is the first increase in 10 years.

The District responded to 1,842 fire and medical emergency calls in 2015. 25% to 30% of these calls overlap with one or more calls. This overlap impacts the District's ability to provide an immediate response to all calls. The levy will retain 9 firefighter/medics, including 2 funded by a federal grant that expires in 2017. It will also add 2 part-time medical-only staff. This will fund two ambulance crews during peak hours and improve response support when calls overlap.

The replacement levy rate is \$1.24 per \$1,000 assessed property value, a \$0.30 increase over the current rate. For a typical home assessed at \$200,000, the annual cost would be \$248, a \$60 increase.

If the levy fails, property taxes on a typical home would decline \$188 annually.

The replacement levy is projected to raise \$7,277,881 over five years.

2017-18 \$1,370,822

2018-19 \$1,411,947

2019-20 \$1,454,305

2020-21 \$1,497,934
