**Executive Summary** 

The PERS Pension Obligation Bond Sinking Program accounts for principal and interest payments on pension obligation revenue bonds issued December 1, 1999 in the amount of \$184,548,160 to retire the County's PERS unfunded actuarial accrued liability. Revenues that support debt payments are derived from charge backs to departments based on their departmental personnel cost.

# **Program Summary**

The County passed Resolution No. 99-218 on November 4, 1999 authorizing the issuance of up to \$200,000,000 of bonds to finance the estimated unfunded accrued actuarial liability of the County to the Oregon Public Employees Retirement System. Senate Bill 198-B, effective October 23, 1999, authorized the County to pledge taxes that the County may levy within the limitations of sections 11 and 11b, Article XI of the Oregon Constitution not subject to annual appropriation. On December 1, 1999 the County issued \$184,548,160 in Pension Obligation Bonds to fund its PERS unfunded liability.

Debt service payments are supported by a surcharge against payroll. The surcharge rate has fluctuated, on average, between 6% and 8% of payroll. A reserve has been established to support future escalating debt payments in order to maintain the surcharge at a constant level.

All principal and interest payments are made on time in order to maintain an investment grade rating on the bond issue. Multnomah County has never defaulted on a debt payment. Principal and interest on the PERS Pension Obligation Bond are a binding debt obligation. The County passed Resolution No. 99-218 on November 4, 1999 authorizing the issuance of up to \$200,000,000 of bonds as authorized by state statute.

### Significant Program Changes

#### Last Year this program was: FY 2016: 10028-16 PERS Pension Bond Sinking Fund

The County will be establishing a PERS Side Account (amount \$25 million) with Oregon-PERS in FY17. Existing bond fund reserves will be used to fund side account (reserves are used to provide stability in the department payroll surcharge). The side account will help the County address rising PERS costs by providing PERS rate relief. Rate relief is estimated to be between .7% to 2.25% of payroll.
