Program Characteristics:

Executive Summary

This offer addresses the A Home for Everyone Executive Committee's goal of expanding "safety off the streets" options by at least 650 beds, This offer, in combination with a parallel request from the City of Portland, would provide sufficient resources to fund start-up capital and ongoing operations for expanded shelter capacity for homeless veterans, women, couples, individuals discharging from the Unity Center, chronically homeless individuals, and women and families needing secure-site shelter.

Program Summary

The A Home for Everyone Executive Committee recommended the creation of 650 additional traditional and non-traditional shelter beds in order to help provide a shelter option to all women and people with disabilities by the end of 2017. The Executive Committee specifically recommended expanding shelter options for women, including single women, women in couples, and chronically homeless people. This program offer will create access to shelter and safety off the streets options by funding:

- Expanded shelter capacity for homeless veterans who become homeless and remain homeless while seeking permanent housing;
- Basic operating support of shelter for homeless individuals discharging from the Unity Center, as well as access to support services that allow them to remain stable and transition to other appropriate longer-term housing opportunities;
- Additional secure-site shelter for single women and women with children fleeing domestic violence, which could take the form of congregate shelter, master leased motel rooms, or master leased apartments;
- Creation of additional traditional facility-based shelter beds and alternative options (e.g. in churches, re-purposed commercial spaces, master-leased hotel rooms, outdoor pop-up shelters, etc.) for women and couples:
- Support for additional alternative shelter options for chronically homeless people, men or women. All services funded will be delivered through contractors that are culturally specific or culturally responsive, and will adhere to community guidelines for shelter, including delivering services in accordance with the principles of assertive engagement and trauma informed care.
