Executive Summary

The Sheriff's Office Human Resources perform the staffing and personnel functions for its approximately 800 positions and employees.

Program Summary

This program conducts staffing-related functions including: recruitment, position tracking, promotional assessment centers, interviews, fingerprinting, documentation, arrangements for psychological testing, hiring, photography and preparation of identification cards, records maintenance (including compliance with HIPAA rules regarding medical files), termination activities, conduct of labor-management interaction, affirmative action, leave administration including the Family Medical Leave Act, the Oregon Family Leave Act, military leave, Workers' Compensation and administrative leave. This program is essential to support the Sheriff's Office's staffing functions. The Sheriff's Office has three unions, is a 24/7 workplace, requires thorough and in depth backgrounds of all employees and maintains a high level of staff security. These conditions require HR to function in a highly specialized environment.

Performance Measures								
Measure Type	Primary Measure	FY15 Actual	FY16 Purchased	FY16 Estimate	FY17 Offer			
Output	Number of leave requests (Admin/LOA/FMLA/OFLA/WC/Military) processed	440	470	670	700			
Outcome	Percent of all applicants that are screened within two weeks of the closing day	100%	100%	100%	100%			

Performance Measures Descriptions

HR strives to ensure that the increased number of applications is processed in a timely manner and ensuring employees' appropriate and applicable state and federally-protected coverage is applied. This comes in an environment of increased FMLA/OFLA usage and where we also continue to address inappropriate sick time usage. The number of leave requests went up substantially due to the number of people taking/requesting paid parental leave. Data are from SAP.
