Program Characteristics:

Executive Summary

Beginning in 1984 the County entered into intergovernmental revenue sharing agreements with the Cities of Portland. Gresham, Troutdale and Fairview, whereby dedicated County road funds receipts are transferred as county roads are annexed. The supplemental payments executed by this program offer, fulfill the funding requirements of these agreements as it pertains to County road funds.

Program Summary

These agreements require the county to transfer prescribed revenue amounts the County receives from the County gas tax and state highway funding. For Cities of Troutdale and Fairview the supplemental payment formula is adjusted annually based on the Consumer Price Index - Urban Index for the Portland metropolitan area. For the Cities of Portland and Gresham the supplemental payment formula is adjusted based on actual receipts collected by the County.

Planned FY 2017 Payments:

- City of Fairview \$13,150
- City of Troutdale \$16,225
- City of Gresham \$3,747,678
- City of Portland \$28,420,486

Between 1984 and 2015 the County has transferred 606 miles of roads to Cities.

This program offer does not deliver any County services and is submitted for the provision of a supplemental payment to the cities. The agreements remain subject to future appropriations by any future Board of County Commissioners or City Councils. The formulas in these agreements were intended to remain permanent unless amended by mutual agreement

Performance Measures Descriptions

The County road funds are transferred to the Cities where the county road funds are commingled into their transportation operating budgets. The agreements do not require the City to communicate how County funds are to be used. The Cities prescribed allowed use of these funds are defined under ORS 366 which requires funds only be used for the construction, reconstruction, improvement, repair, maintenance, operation and use of public highways, roads, streets and the administration thereof.
