MULTNOMAH COUNTY, OREGON
EMPLOYEES' DEFERRED COMPENSATION PLAN
(As Amended September 2015)

ARTICLE 1: INTRODUCTION

1.1 RESTATEMENT OF EXISTING PLAN.

The County previously adopted the Multnomah County, Oregon Employees' Deferred Compensation Plan ("Plan") that was established February 15, 1980, pursuant to Section 457(b) of the Internal Revenue Code, as amended ("Code"). The County amended the Plan in its entirety, generally effective as of January 1, 2012. Subsequent amendments may occur and are identified by date in Article 12.

1.2 PURPOSE OF THE PLAN.

The purpose of the Plan is to attract and retain eligible employees by permitting them to enter into agreements with the County which will provide for the payment of deferred compensation on retirement or separation from service as well as death benefits in the event of death before or after retirement.

1.3 PLAN IS NOT A CONTRACT OF EMPLOYMENT.

Nothing contained in the Plan shall be deemed to constitute an employment agreement for services between the Participant and the County nor shall it be deemed to give a Participant any right to be retained in the employ of the County. Nothing in this Plan shall be construed to modify the terms of any employment agreement for services between a Participant and the County as this Plan is intended to be a supplement to such employment agreement.

ARTICLE 2: DEFINITIONS

2.1 ADMINISTRATOR

the County's Chief Financial Officer or designee who is responsible to administer the Plan and perform fiduciary functions for the Plan on behalf of the County.

2.2 ALTERNATE PAYEE

a spouse, former spouse, child, or other dependent of a Participant who has a right to receive all or part of a Participant's benefits pursuant to a Qualified Domestic Relations Order (QDRO). To the extent required by Oregon law and permitted under the Code, a domestic partner (as that term is defined under Oregon or other applicable law) shall be deemed a spouse.

2.3 APPROVED INSTITUTION

any organization that has been approved by the Committee to provide services or Investment Product(s) to the County under the Plan. The Committee is to procure services according to Public Bid laws and County rules.

2.4 BENEFICIARY

the recipient of a Participant's Plan benefits upon the death of such Participant. The Beneficiary will be designated by the Participant in the Participation Agreement. Nothing herein shall prevent the Participant from designating more than one Beneficiary or primary or secondary Beneficiaries or changing the designation of a Beneficiary. If two or more, or fewer than all designated Beneficiaries survive the Participant, payments shall be made equally to all such Beneficiaries, unless otherwise provided in the Beneficiary designation. If no designated Beneficiary survives the Participant or no valid designation is in effect at the time of the Participant's death, the Beneficiary shall be the residual beneficiaries of the estate of the Participant (and if the residual beneficiaries include a trust, the beneficiaries of such trust) in the proportions they would share in the residue of the estate. Elections made by a Participant in the Participation Agreement shall be binding on any such Beneficiaries except for the right of a Beneficiary as provided in Sections 5.04 and 5.05.

the Deferred Compensation Committee appointed pursuant to Section 3.01 of this Plan.

2.6 COMPENSATION

the portion of total annual remuneration for employment paid by the County that is eligible for deferred compensation under Code Section 457.

- (b) The County allows Participants to defer accumulated vacation and compensatory time pay.
- (c) A Participant who participates in the Plan and in another 457(b) plan of another employer shall be responsible for complying with the deferral limits of this Article. In the event of an excess amount, the Participant shall notify the Administrator so that the excess may be distributed as soon as practicable.
- (d) In the event that the limit on deferral contributions is exceeded, the Administrator shall direct the Approved Institution as to the proper correction method permissible under applicable law, including calculation of any earnings or losses and the proper tax reporting with respect to such distributions.
- (e) The maximum amount which may be deferred may be increased above the limitation set forth in Section 2.08(a), but no greater than the Participant's Compensation for such Plan Year, under one of the following "catch up" provisions.
 - (1) For each one of the Participant's last three consecutive taxable years ending prior to Participant's Normal Retirement Age, the maximum shall be the lesser of:
 - (A) Two times the applicable dollar amount under Code Section 457(b)(2) allowed by the Code for catch up contributions; or

- (b) The County permits a Participant or Beneficiary to change his or her benefit election up to one time per calendar year quarter, in accordance with procedures established by the County, to the extent permitted under the Investment Product and applicable

 - (3) Any portion of a distribution that is an unforeseeable emergency withdrawal described in Article VII.
- (c) For purposes of this Section, the term "eligible retirement plan" means any other Code Section 457(b) plan maintained by an employer which satisfies the definition of Code Section 457(e)(1)(A), a Code Section 403(b) program, a Code Section 401(a) plan, an individual retirement account as described in Code Section 408(a), an individual retirement annuity as described in Code Section 408(b), and a Roth individual retirement account under Code Section 408A.
- (d) The election described in Section 5.07(a) also applies to the surviving spouse in accordance with Code Section 401(a)(9) after a Participant's death or a spouse or former spouse who is the Alternate Payee. For eligible rollover distributions to a non-spouse designated Beneficiary made on or after January 1, 2008, a Participant's non-spouse designated Beneficiary may elect, at the time and in the manner prescribed by the Administrator, to have any portion of an eligible rollover distribution transferred

by a direct rollover to an inherited individual retirement account or annuity (including Roth accounts after January 1, 2012).

- (e) Upon a distribution event under Section 5.01(a) that qualifies as an eligible rollover distribution under Section 5.07(b), a Participant may elect to have the portion of such eligible rollover distribution that is not part of the Participant's Roth Account rolled into the Participant's Roth Account.

5.8 PURCHASING SERVICE CREDITS UNDER A STATE OR LOCAL RETIREMENT PLAN.

A Participant may direct the Administrator to transfer amounts under his Participant Account tax-free under the Plan in accordance with Code Section 457(e)(17) and applicable Oregon law to a state or local government retirement plan in order to enable the Participant to purchase service credits under such plan or repay amounts previously cashed out under such plan even if the Participant is not eligible for a distribution under Section 5.01. The Administrator shall take such reasonable measures as required to ensure that the intended recipient plan will accept such transferred amounts.

5.9 TRANSFERS TO OTHER CODE SECTION 457(B) PLANS UPON SEPARATION FROM SERVICE.

If a Participant incurs a Separation of Service and subsequently performs services for another employer described in Code Section 457(e)(1)(A) which maintains a Code Section 457(b) plan, the amounts deferred under the Plan shall, at the Participant's election, be transferred to such other Code Section 457(b) plan, provided:

- (a) The Code Section 457(b) plan to which the Participant's benefit is being transferred provides for the acceptance of such amounts; and
- (b) The Participant has a benefit amount immediately after the transfer which at least equals the benefit amount under this Plan immediately before the transfer.

5.10 QUALIFIED DOMESTIC RELATIONS ORDERS (QDRO).

- (a) Effective January 1, 2002, the Plan recognizes QDROs issued by state authorities and allows for distributions to Alternate Payees. The Plan or the Plan's designee shall adopt reasonable, written procedures to determine the qualified status of domestic relations orders and to administer the distributions hereunder. QDROs must be submitted in a form acceptable to the Plan or its designee, and may order Participant Plan assets be divided into a separate account for the benefit of an Alternate Payee. Distribution of those assets are allowed as provided in Subsection 5.10(b) and (c). All state and federal taxes on distributions from the Alternate Payee's account will be the responsibility of the Alternate Payee, not the Plan Participant. The Alternate Payee's account shall be subject to the Code, federal regulations, state law, and the terms of the Plan.
- (b) If the Plan administers distributions to an Alternate Payee, the responsibility for the fees provided for under ORS 243.507 shall be apportioned to the Participant and Alternate Payee based on the fraction of the plan assets received by the participant and the Alternate Payee at the time the Alternate Payee's interest in the Plan is established. The apportioned fees shall be immediately paid to the Plan out of the distributions to the Participant and out of the distributions to the Alternate Payee.
- (c) Any QDRO submitted to and accepted by the Plan or its designee may provide that an

Alternate Payee may take an immediate distribution of some or all of the assets established in the separate account, may make any distribution election from the payout options available to Plan Participants, or may elect to leave the separate account in the Plan, in which case, the Alternate Payee shall have the same rights as a Participant under the Plan.

- (d) To the extent required by Oregon law and permitted under the Code, a domestic partner (as defined under applicable law) shall be treated as a spouse for purposes of determining the validity of a QDRO and administering a QDRO.

5.11 DISTRIBUTION OF TAXABLE ACCOUNTS.

If the Internal Revenue Service rules that any amounts deferred under this Plan will be subject to current income tax all amounts to which the ruling is applicable shall be paid as soon as practicable to the Participants. The Participant is responsible for any tax liability.

ARTICLE 6: TRANSFERS AND ROLLOVERS BETWEEN RETIREMENT PLANS

The Plan accepts rollovers of distributions to and from the following plan types: governmental 457(b), 403(b), 401(a), profit sharing, stock bonus or Individual Retirement Account

6.1 ROLLOVERS TO THE PLAN.

- (a) Amounts that are considered "eligible rollover distributions" in accordance with Code Section 402(c)(4) may be rolled over by a Participant from an "eligible retirement plan." The amounts rolled over from an eligible retirement plan other than a Code Section 457(b) plan maintained by an employer which satisfies the definition of Code Section 457(e)(1)(A) shall be allocated to the Participant Non-457 Rollover Account. The amounts rolled over from another Code Section 457(b) plan maintained by an employer which satisfies the definition of Code Section 457(e)(1)(A) shall be allocated to the Participant 457 Rollover Account. Amounts in the Participant Non-457 Rollover Account shall be accounted for separately from the amounts in the Participant 457 Rollover Account.
- (b) For purposes of this Section, the term "eligible retirement plan" shall mean any other Code Section 457(b) plan maintained by an employer which satisfies the definition of Code Section 457(e)(1)(A), a Code Section 403(b) program, a Code Section 401(a) plan, an individual retirement account as described in Code Section 408(a), and an individual retirement annuity as described in Code Section 408(b). For purposes of this Section, the term "amounts rolled over from an eligible retirement plan" means:
 - (1) Amounts rolled to the Plan directly from another eligible retirement plan;
 - (2) Distributions received from an Eligible Individual from another eligible retirement plan that are eligible for tax deferred rollover to a Code Section 457(b) plan maintained by an employer which satisfies the definition of Code Section 457(e)(1)(A) and that are rolled over by the Eligible Individual to the Plan within sixty (60) days, following his receipt thereof; or
 - (3) Amounts rolled over to the Plan under Sections 6.01(b)(1) and (2) by an Eligible Individual who is also a surviving spouse in accordance with Code Section 401(a)(9) or a spouse or former spouse who is the alternate payee as defined in Code Section 414(p)
- (c) Distributions from accounts "rolled over" from other retirement plans are allowed without the requirement of an event which entitles a participant to a distribution from the plan provided such rollover accounts are segregated in a separate account by the provider.

6.2 PURCHASE OF SERVICE CREDITS.

As described Section 5.08, a Participant may direct the Plan to transfer assets from the Participant's Plan Account to another government plan, if the other plan provides for receipt of such a transfer of assets.

ARTICLE 7: WITHDRAWALS

7.1 UNFORSEEABLE EMERGENCY WITHDRAWALS.

- (a) In the case of an unforeseeable emergency prior or subsequent to the commencement of benefit payments, a Participant may apply to the Committee for withdrawal of an account reasonably necessary to satisfy the emergency need. If such application for withdrawal is approved by the Committee the withdrawal will be effective at the later of the date specified in the Participant's application or the date of approval by the Committee. The approved amount shall be payable in a lump sum within thirty (30) days of such effective date or in some other manner consistent with the emergency need as determined by the Committee. The approved amount will be reduced by all applicable withholding taxes, or at the Participant's election (and provided there are sufficient funds in the Participant's Account), will be increased by an amount sufficient to pay all applicable withholding taxes.
- (b) The term "unforeseeable emergency" means a severe financial hardship to the Participant resulting from a sudden and unexpected illness or accident of the Participant, the Participant's spouse or a dependent (as defined in Section 152(a) of the Code) of the Participant, loss of the Participant's property due to casualty or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the Participant. For purposes of this Plan, a Participant's primary Beneficiary will be treated the same as the Participant's spouse or dependent in determining whether the participant has incurred an unforeseeable emergency based on guidance by the Secretary of Treasury, as directed by the Pension Protection Act of 2006. Withdrawals for foreseeable expenditures normally budgetable, such as a down payment on a home, payment of credit debt, payment of income taxes, purchase of or maintenance costs for an auto, or college expenses, will not be permitted.
- (c) The Committee shall not permit withdrawal for an unforeseeable emergency to the extent that such hardship is or may be relieved as follows:
 - (1) Through reimbursement of compensation by insurance or otherwise;
 - (2) By liquidation of the Participant's assets, to the extent that liquidation of such assets would not itself cause severe financial hardship; or
 - (3) By cessation of deferrals under the plan.
- (d) The Participant shall apply for withdrawal under procedures fixed by the Committee and by using the approved hardship withdrawal request form. The Committee may require a minimum advance notice and may limit the frequency of emergency withdrawals.
- (e) The Committee shall require a Participant to produce comprehensive supporting documentation of the emergency including but not limited to, tax returns, bank statements, hospital bills, and other financial statements as requested.
- (f) If a Participant has a 457 Rollover Account or Non-457 Rollover Account, funds may be withdrawn from such account to meet the emergency needs prior to a withdrawal from other accounts of the Participant's Account. A withdrawal from a 457 Rollover Account or Non-457 Rollover Account will not require stopping current deferrals unless funds are withdrawn from the Participant's other Plan

accounts.

- (g) In no event shall the amount of a withdrawal for unforeseeable emergency exceed the amount of benefits which would have been available to the Participant at the time of withdrawal. Notwithstanding any other provision of this Plan, if a Participant makes a withdrawal, the value of benefits under the Plan shall be appropriately reduced to reflect such withdrawal, and the remainder of any benefits shall be payable in accordance with applicable provisions of the Plan.
- (h) A Participant's ability to defer Compensation under the Plan will be suspended for 12 months after the date of the hardship withdrawal.

7.2 OTHER WITHDRAWALS.

- (a) A Participant may request withdrawal of all benefits if all of the following conditions are met:
 - (1) The amount of benefits at the time of withdrawal does not exceed the maximum allowed by the Code for de minimis withdrawals (currently no more than \$5,000);
 - (2) The Participant has made no contributions to the Plan for the two year period prior to withdrawal; and
 - (3) There have been no prior withdrawals under this option for the Participant.
- (b) A Participant may re-enroll in the Plan after a period of twelve (12) months from the date of such distribution.

ARTICLE 8: ANTI-ALIENATION RULES

8.1 NO ASSIGNMENT OF BENEFITS.

Except as provided in Section 8.02, neither the Participant nor any other person shall have any right to commute, sell, assign, pledge, transfer or otherwise convey or encumber the right to receive any payments under the Plan, which payments and rights thereto are expressly declared to be unassignable and non-transferable. Nor shall any unpaid benefits be subject to attachment, garnishment or execution for the payment of any debts, judgments, alimony or separate maintenance owed by the Participant or any other person, or be transferable by operation of law in the event of bankruptcy or insolvency of the Participant or any other person.

 - (3) Expose the County to potential liability.
- (b) An amendment shall be effective the first day of any month by notice to the Participants. The Committee shall communicate to the Multnomah County Board of County Commissioners within six months any amendment it adopts.
- (c) The Committee shall formally report to the Multnomah County Board of County Commissioners any Plan amendment that the Committee deems to be a Major Plan Revision.
