Program Characteristics:

Executive Summary

This program is responsible for providing all financial reporting and forecasting, grant accounting, budget development and monitoring, and accounts payable for the Health Department. They are liaisons for the department with the Department of County Management (e.g. Budget Office, Central Finance) and are responsible for adhering to County budget, financial and administrative procedures, policies and practices.

Program Summary

This program manages all of the financial reporting, billing and collection services for grant-funded programs. It prepares and reviews the Health Department's financial reports and forecasting, as well as develops and maintains the Department's budget. Accounts Payable and travel and training services are also provided.

Budget and Finance works closely with county staff in the CFO's office, Budget office, and central finance. Compliance with a multitude of federal, state and county financial policies and procedures is a key responsibility of this division.

| Quality | Number of audit findings in County's annual financial audit. | no findings | no findings | no findings | no findings | | | | |

Performance Measures Descriptions

The accounts payable measure, "# of invoices processed," cash management's along with "Avg # of days..." and "Number of audit findings" is a cross section of measures to test performance in many areas. The FY15 invoices processed is low comparatively because it is for Health only prior to the inclusion of Mental Health and Addiction Services.
