**Program Characteristics:** 

#### **Executive Summary**

The Time and Attendance Unit's role is to provide time entry, audit, and reporting to management ensuring that agency staff are accurately paid as well as policies, contract language, and work rules are being consistently followed. The Unit works with employees and management to resolve any overpayment/underpayment issues that occur.

#### **Program Summary**

The Time & Attendance Unit's responsibility is to enter and report working and non-working time accurately and in a timely manner for the approximately 800 Sheriff's Office employees. The Sheriff's Office is a 24 hour, 365 days per year operation with many different employee schedules. The Unit performs time audits before the payroll cycle is run to ensure that employees are accurately paid and issues are found before they become paycheck problems.

The management of time is an important element to the efficient use of public money and is a common issue in 24/7 public safety operations across the nation. The Time & Attendance Unit is a major component of the Sheriffs Office time management and accountability initiative which includes appropriate levels of staffing; use of overtime; use of planned time off such as vacation, personal holidays, and comp time; and the use of sick leave.

Performance Measures									
Measure Type	Primary Measure	FY15 Actual	FY16 Purchased	FY16 Estimate	FY17 Offer				
Output	Total time entry hours approved per year	1,777,182	1,820,000	1,871,784	1,900,000				
Outcome	Percent of special checks issued due to time entry	8%	12%	16%	12%				

## **Performance Measures Descriptions**

"Percent of special checks issued due to time entry" is the number of special checks issued due to a time entry error (from the Payroll Supervisor) divided by the total number of special checks issued (from SAP). The actual numbers are up this year due to a vacant position and the use of temporary staffing. "Total time entry hours approved..." measures the outcome of the time entry process which is then processed by County Central Payroll resulting in paychecks issued.
