Executive Summary

This program will provide for the Countywide Investigation of violation of restraining orders, specifically when respondents do not comply by dispossessing themselves of their firearms. The Sheriff's Office will partner with the Portland Police Bureau, Multhomah County District Attorneys Office and the Multhomah County Circuit Court in enforcing the gun dispossession clause of restraining orders by working with petitioners and respondents to gain compliance to court orders.

Program Summary

This has been an issue statewide for more than twenty years. In 2011 a model surrender protocol was developed in a statewide Domestic violence firearms task force; this process is currently being utilized in Multnomah County.

The purpose of this program is to provide one FTE to partner with the Portland Police Bureau's Family Services Division for education and enforcement actions against respondents who do not comply with the firearms prohibition on their restraining order and to conduct follow up investigations on restraining order violations. The officers will also investigate general restraining order violations and present cases to the District Attorney's Office for prosecution.

The funding for this position will help educate and or force respondents to comply with the courts order to surrender their firearms. It will provide the necessary FTE to help conduct investigations to locate the respondents and their firearms. This will reduce the number of illicit firearms in our community and this action will also help to reduce domestic violence lethality by removing firearms from the respondent's possession. Data presented to LPSCC shows access to firearms can increase the risk of death to the petitioner by five times and up to twenty times if the respondent had made prior threats or assaults with firearms.
