EXPLANATORY STATEMENT

Approval of this measure would impose a three percent tax on the sale of marijuana items by a marijuana retailer within the city.

Under Measure 91, adopted by Oregon voters in November 2014 and amended by the Legislature in 2015, the Oregon Liquor Control Commission must license the retail sale of recreational marijuana. The 2015 legislation provides that a city council may adopt an ordinance imposing up to a three percent tax on the sale of marijuana items (which include marijuana concentrates, extracts, edibles, and other products intended for human consumption and use) by retail licensees in the city, but the council must refer that ordinance to the voters at a statewide general election. The City of Wood Village city council has adopted an ordinance imposing a three percent tax on the sale of marijuana items by a retail licensee in the city, and, as a result, has referred this measure to the voters.

The 2015 legislation does not restrict how the city may use the revenues generated by this tax. Revenues from the tax may be therefore be used for any City purpose as determined by the city council through the local budget process.
