RFPQ NO: 4000004941
TITLE: Federal Representation Consultation, Advocacy and Special Project Services
CLOSING DATE: October 3, 2016 / NOT LATER THAN 4:00 p.m.

This Addendum is issued to the above referenced RFPQ to make the following changes, additions, deletions, and/or clarifications:

1. Clarification	<p>Page 4, Section 1.1 Procurement Timetable</p> <p>Question: An award timeline is included on page 4 of 38, however it appears that this RFPQ would establish a pool from which to select a firm at some point in the future. Please clarify.</p> <p>Response: The RFPQ process is intended to establish pools of qualified vendors who will be eligible for potential contract awards. The "Service start date" timeline on page 4 of 38 in the RFPQ indicated on or after December 1, 2016 which means that the allocation process may begin and contract, if any, may start as early as December 1, 2016.</p>
