City of Portland Measure
Referred to the People by the City Council

26-197 Renew Portland Children's Levy for five years.

Question: Shall Portland continue early childhood, child abuse programs; five-year levy $0.4026 per $1,000 assessed value beginning 2019?

This measure renews current local option taxes.

Summary: Renews the Portland Children's Levy at current rate; supports proven programs preventing childhood hunger, preventing child abuse and neglect, helping children arrive at school ready to learn, providing safe constructive after-school alternatives for kids, and helping foster children succeed.

Funds can only be used for:

Preventing childhood hunger: giving hungry children healthy, nutritious meals and food.

Child abuse prevention and intervention: addressing juvenile crime, school failure, drug and alcohol abuse, homeless youth.

Early childhood programs: making childcare more affordable and preparing children for success in school.

After school, summer and mentoring programs: promoting academic achievement, reducing the number of juveniles victimized by crime, increasing graduation rates.

Children in foster care programs: helping foster children who have been abused and neglected succeed.

Accountability measures include:
- Investments subject to annual audits.
- Programs funded must be cost effective and have a proven record of success.
- Investments subject to oversight by a citizen committee.
- Administrative costs cannot exceed 5%.

It is estimated the levy will raise an average of $23.68 million per year for five years.
