Executive Summary

The Office of Government Relations represents the Board of Commissioners and county departments before the United State Congress, the Oregon Legislature and local governing bodies to advance Multnomah County's annual state and federal legislative agenda. This function is vital in protecting the interests of Multnomah County.

Program Summary

The Office of Government Relations manages the legislative agenda set by the Board of Commissioners and facilitates interdepartmental cooperation on intergovernmental efforts.

The Director manages budget and compliance issues, manages federal government relations, and together with the Deputy Director serves as the state lobbyist for the county, leads stakeholder and coalition meetings and provides regular updates to the Board of Commissioners, departments and other staff. The Policy Manager is responsible for tracking state and federal legislation, working with county department staff on legislative coordination, and providing analysis on key policy issues.

The Senior Grant Coordinator works across departments and systems to increase the county's capacity to secure, track, and successfully implement competitive grants aligned with the County's mission and values.

The East County community liaison position supports community engagement, planning and revitalization efforts to coordinate existing and potential federal, regional, and local investment in East County. This strategic partnership seeks to increase alignment and coordination of resources that will benefit residents and reduce barriers to create jobs, leverage private contributions, increase economic activity, expand educational opportunities, increase community health, address environmental inequities, and reduce violent crime.
