It also accounts for debt service on the new East County Courthouse, for pass-through payments to the Multnomah Law Library, the State Watermaster, and for maintaining Wapato Jail.

Program Summary

ORS 1.185 requires that counties provide court space for the operation of the state circuit courts. Multnomah County operates courts at the downtown Courthouse, the Multnomah County Justice Center, the Donald E. Long Juvenile Justice Center, and at the new East County Courthouse, opened in FY 2013. County-provided courtroom space is a key resource in the County's criminal justice system. Multnomah County courts' central locations allow easy access to the court system, provide visibility to the community of the public safety system at work, and allow the justice system to hold offenders accountable.

The County's Facilities Division is responsible for operating and maintaining County courtrooms, and for maintaining the Wapato Jail facility. The Facilities Division provides services ranging from planning, construction, and building operations and maintenance to cleaning the buildings and maintaining the grounds for courtrooms located in Multnomah County's owned and leased facilities. Facilities maintains the grounds, interior, and exterior of the Wapato Jail, and incurs costs for this maintenance and for utilities in order to minimize deterioration of the building.

There is a \$5,000 pass thru payment for the State Watermaster.

The 2011 Legislature passed several bills that changed the way court fees are allocated among local programs. One local program, the Multnomah Law Library, is a recipient of an allocation of fees through Multnomah County to the Law Library. The allocation will be monitored to see if changes are made for the upcoming State biennium.

Explanation of Revenues

Operating courtrooms is a General Fund obligation of the County. The Multnomah Law Library pass-through payment is fully supported by state-mandated court filing fees.

Debt service on the East County Courts is offset by a rebate received under the Build America Bonds program. Debt service costs are \$392,089 per year (net) from FY 2012 through FY 2020, and will be \$1.7 million per year from 2020 through 2030.

Significant Program Changes

Last Year this program was: FY 2017: 10021 State Mandated Expenses

Due to changes in the Departments of County Assets space allocation model, the mothball costs for Wapato are estimated to decrease by more than \$135,000. The State Courts are occupying new space at Walnut Park for a multi-year project to scan records and eventually eliminate the need for hard copy storage space. New costs in that facility are \$141,000. FY 2018 includes one-time only-costs of moving the State Courts (\$55,400) and TSCC (\$9,300) out of the current location.
