Executive Summary

The Health Care Workgroup of A Home for Everyone prioritized the creation of a continuum of housing options for people discharging from the Unity Center, the new 24-hour behavioral and mental health facility for people experiencing a mental health crisis in the Portland metro area. This program supports short-term emergency shelter for homeless individuals discharging from the Unity Center or regularly accessing crisis mental health services in the community. This shelter capacity is being implemented in cooperation with the Health Department.

Program Summary

This program offer funds 40 short-term shelter beds for individuals discharging from the Unity Center or regularly accessing crisis mental health services in the community. Connecting these individuals to a supportive shelter environment, while not a solution to homelessness, will provide a safe space to remain stable and get connected to essential services.

Shelter space and programming will be trauma-informed and designed to meet the needs of the population. Funds will pay the operating expenses for shelter including rent, maintenance, staffing, materials/supplies, and on-site services. Individuals staying at the shelter will receive support services that will allow them to remain stable and transition to appropriate permanent housing opportunities. Services will be delivered through a contractor that adheres to A Home for Everyone's Community Guidelines for shelter, which includes delivering services in accordance with the principles of assertive engagement and trauma-informed care.

*In the current year, people discharged from Unity Center are being served by motel vouchers because a site-based shelter has not yet been secured. **FY17 Estimate is left blank because this capacity came on part-way through the year. FY18 Offer is calculated using the multiplier 5.0956 (based on 2015 HUD Annual Homeless Assessment Report data), which reflects the average # of people served by 1 shelter bed over course of a year.
