**Executive Summary**

Through the Youth & Family Services Division (YFS), individuals and families have the opportunity to engage in the level and depth of culturally relevant services they want, in order to thrive. YFS Administration provides division-wide leadership, coordination of daily functions, budget development, performance management, and overall strategic direction toward this goal.

**Program Summary**

**ISSUE:** All activities and projects in the Youth & Family Services Division align with and lead toward two primary outcomes: 1. youth experience educational success; and 2. families are stable. YFS administrative staff provide accountability, leadership and data driven strategic direction toward those outcomes.

**PROGRAM GOAL:** The goal of the YFS Division Administration is to ensure efficient use of resources through maximizing budget resources, driving policy, effective program development, staff supervision, staff professional development, developing partnerships and overall leadership.

**PROGRAM ACTIVITY:** The YFS Division administers a variety of direct and contracted services that support educational success and family stability. The Division is responsible for providing, contracting for, and/or coordinating the County's investments in five core service/policy areas: Energy, Anti-Poverty/Prosperity, Education Supports, Early Childhood and Domestic and Sexual Violence. The Division functions as the County's legislatively mandated Community Action Office and is a co-convenor (with the United Way) of Early Learning Multnomah.

Activities in the area of budget development - YFS leadership develops the annual budget documents, reviews expenses quarterly, and ensures expenditures are in line with both revenue and funding guidelines. Activities to coordinate daily functions - direct supervision of staff, coordinate like activities across the division, establish procedures and practices and convene staff toward cohesion and teamwork. Performance management - create opportunities for staff to grow and learn professionally, set the overall framework for contractor data collection, reporting and program/system evaluation. YFS leadership provides strategic direction through the collaborative development of a Division strategic plan and directs projects. In addition, YFS is a partner-driven organization; staff have effective relationships and partnerships with other Divisions, organizations and jurisdictions (for example, nonprofit partners, the Joint Office of Homeless Services, the City of Portland, Home Forward, School Districts, District Attorney's office, Health Department, Library, Oregon Department of Human Services and Oregon Housing and Community Services), to increase the delivery of effective and culturally responsive services in this community.
