## **Executive Summary**

The Health Department's Director's Office provides leadership for the broad mission and vision of the department. The Director leads and guides strategic planning, legislative initiatives, integration of department activities and public health function communications, integration with other county departments, and is integral to health care transformation. The Director leads the Department Leadership Team which includes management of physical health, behavioral health and public health functions.

## **Program Summary**

The Director and Department Leadership Team are responsible for integration of health services and operations to provide quality, best practice services; strategic partnerships with a wide range of community organizations; leadership and direction for public health issues and policies; stewardship of finances, facilities and personnel; continuous improvement of service delivery; public health emergency preparedness, and support for a diverse and qualified workforce with high job satisfaction.

The Director's Office is responsible for leadership committed to the Health Department's mission, vision, values and strategic objectives. The Office is the primary liaison to federal, state, county and local elected officials. The Director works with other county departments and community partners to lead the implementation of health care transformation within the county. The Director also works with a wide range of local organizations, health systems and other counties to implement public health, behavioral health and safety net health care across the region.
