Executive Summary

The Department of Community Justice (DCJ) Juvenile Services Division (JSD) Community Interface Services seeks to strengthen and improve our multi-disciplinary community connections through initiatives and collaborations with youth and family-serving systems and partners. The goal is to improve services to youths and families, restore victims, and reduce recidivism.

Program Summary

Community Interface Services consists of the following:

EDUCATION AND EMPLOYMENT ACCESS COORDINATOR serves as a liaison between JSD and the education and youth workforce development communities to improve school connectivity, job readiness and career development.

RESTORATIVE JUSTICE COORDINATOR identifies and implements strategies for increasing restorative responses and opportunities for youth in the juvenile justice system as well as those at risk of delinquency and law enforcement contact. JSD also contracts with Resolutions NW to facilitate restorative dialogues and provide restorative justice training and technical assistance.

TREATMENT EXPEDITER serves as the liaison between JSD and internal treatment and community- based mental health as well as alcohol and drug treatment providers to improve outcomes for youth and their families. This position also promotes effective system collaboration

LAW ENFORCEMENT LIAISONS/JCCs works with the police school resource officers (SROs) countywide helping to prevent delinquency, reduce truancy, make referrals to needed services and improve positive school outcomes. These positions work to intervene prior to formal system involvement and to reduce racial and ethnic disparities (RED).

PORTLAND PUBLIC SCHOOLS (PPS) JCCs - JSD and PPS share two JCCs who case manage, make community-based program and service referrals and provide support for classroom and school success to PPS students exhibiting behaviors that place them at risk for suspension and/or expulsion.
