Executive Summary

This program supports the implementation of a new Enterprise Resource Planning (ERP) suite of integrated technology that includes Workday, Tririga, Sciquest, and Questica. The current ERP technology is outdated, the existing vendor contract terms are unfavorable, and operational requirements are unable to be achieved with the existing technology. The result of this effort will transform County business operations and improve staff efficiency and effectiveness.

Program Summary

This program will implement the new ERP suite of technology. The implementation includes Deloitte Consulting as the Systems Integrator. The County's ERP Project Management Office will partner with Deloitte Consulting to manage and implement the overall program. The comprehensive project team will implement new two new systems, Workday and Tririga, and will integrate other major systems to provide a holistic ERP technology suite. The program will replace the existing SAP solution, automate key business processes such as employee time sheets and performance management, provide improved reporting, and will be accessible via mobile devices. The new technology suite is planned to go live July 2018.
