**Re: Comcast Appeal**

A Department of Revenue centrally assessed property (Comcast) has been under appeal for tax years 2009/10 through 2017/18. Multnomah County has been notified of a settlement, resulting in an additional billing to Comcast for years 2009/10 through 2016/17, totaling \$38,876,585.91, if paid in full by 08/15/2018. Please see the table below for potential resultant distribution per district.

The 2017/18 tax year was administered through the potential refund credit process. The levied taxes were paid in full in November and the funds were deposited into a separate potential refund credit account. These funds will be returned to the unsegregated trust account in July, 2018, and disbursed appropriately as either a refund back to Comcast or as part of the regular distribution. The additional amount to be included in the July, 2018, distribution will be \$4,455,190.02. The 2017/18 tax year will be included in the distribution for July, 2018. Please see the table below for the amount distributed by district.
