The MCSO Fiscal Unit program provides comprehensive financial services to the Multnomah County Sheriff's Office in support of the agency's public safety operations. The Sheriff's Office annual budget is over \$120 million dollars and is funded from a variety of sources including County general fund; State and Federal grants, intergovernmental agreements; service fees and contracts; as well as through service agreements with local jurisdictions.

## **Program Summary**

The Fiscal Unit gathers financial data, enters and processes transactions through the County financial system (SAP), conducts analysis, and reports financial information to the management team so that strategic operational decisions can be made. The Fiscal Unit makes certain that funds are available for running the agency's operating programs and documents their use by performing: budget development, modification and monitoring; fiscal projections; accounts receivable and payable; inmate welfare fund accounting and deposits; contract development and monitoring; grant accounting; travel and training processing; as well as monitoring County internal service reimbursements.

The Fiscal Unit provides monthly financial reports to management and information for the County's annual audit. Oregon budget law, County financial policies, County administrative procedures and internal controls are implemented and upheld by the Fiscal Unit. The Fiscal Unit works with the Planning & Research Unit and the Executive Office in providing information to the public.

Measure Type	Primary Measure	FY13 Actual	FY14 Purchased	FY14 Estimate	FY15 Offer
Output	Percent of payments over 60 days	3.8%	5%	3.7%	4%
Outcome	Number of accounts payable payments made	4,133	5,000	3,800	5,000

County policy is to have payments made within 30 days of invoice, the data is from SAP on actual payment date versus invoice date. The Outcome measure of payments made reflects the volume of checks processed by the unit with the outcome of vendors paid.
