Executive Summary

Corrections Division administration provides administrative leadership and strategic direction to the Sheriff's Office Corrections Division. The Division administration turns Sheriff's policies and directives into the Correction's program offers that support the citizens of Multnomah County by providing safe and humane processing of arrestees and constitutionally sound supervision of pretrial inmates and sentenced offenders.

Program Summary

The Corrections Division provides correctional supervision and services within the Sheriff's Office. The Division's priorities are to enhance public safety by ensuring that jail system capacity is maintained and properly supervised, and to collaborate with the Department of Community Justice and other criminal justice partners to create an effective corrections continuum.

The programs operated by the Corrections Division support key factors in citizens feeling safe at home, work, school and play – namely the public safety system, social conditions and communities. The programs offered hold offenders accountable for their actions, provide opportunities for treatment, provide rehabilitation resources and pro-social cognitive training.

Division Directors are responsible for policy development, the assignment of resources, and oversight for all Division functions. They provide supervision, coordination and management to the Divisions, working with the operational managers and the Executive Office to ensure cost-effective and culturally competent programs for Multnomah County.
