Executive Summary

The (TSI) "Turn Self In" program provides a formal sentencing alternative by which the courts can impose a sentence to incarceration over a period of weekend days. This program allows for an offender to maintain their employment and/or other family and life obligations within the community. Two Corrections Deputy FTE are associated with this program.

Program Summary

The weekend TSI program operated at the Courthouse Jail Holding area creates budget efficiencies for the County by allowing offenders to serve sentences without needing to utilize all services provided for custody at the County Correctional Facilities. The TSI program minimizes the cost of services to include, medical, overnight stay costs, and minimal need for staffing as associated with jail beds. The TSI program averages 40 to 50 offenders each weekend day.

Offenders serve their weekend time at the Courthouse so as not to interfere with the mainstream jail system and operational processes. For those who are employed or have community obligations acceptable to the court, the TSI sentencing program provides opportunities to maintain employment, support successful reentry into the community while ensuring judgments of the courts are fulfilled. Without the TSI program, judges would have to sentence offenders to probation or jail. With the level of offender normally sentenced to TSI, probation will be the likely option, reducing judicial options supporting Offender Accountability.

In conjunction with the Corrections Volunteer program, offenders sentenced to the weekend TSI program are afforded the opportunity to participate in AA and/or NA meetings. This is a volunteer program and the offender is not required to attend.
