Executive Summary

The Facility Security Unit (FSU) is the front line of defense and the first visible resource for people requiring public safety assistance within the Multnomah County Library system. Part of the core functions of the FSU is to provide assistance in the area of public safety, coupled with facility security. The presence of uniformed MCSO employees acts as a deterrent to disruptions and criminal activity within library facilities.

Program Summary

The FSU is an integral part of the popular Multnomah County Public Library system. The FSU provides a resource for persons needing public safety assistance or information and referral to other public entities. The FSU provides both external and internal security for the Central Library, Midland, Holgate, and Rockwood branch libraries. The presence of uniformed FSOs creates a sense of well-being and safety for the citizens who use the libraries and the County employees working in the libraries. The libraries often experience problems with persons under the influence of drugs or alcohol, persons who are being disruptive, a transient population using the library as a safe haven, and persons who may pose a danger to the public and employees. The FSOs maintain security and provide a calm and secure atmosphere by handling all of these persons and situations in a professional and reasonable manner. The presence of uniformed FSOs enables the library patrons to enjoy the libraries, and conduct their business in a safe and inviting atmosphere. The FSOs are a deterrent to disruptions and criminal activity in the libraries. The effectiveness of our work is seen in the low number of instances in which police response is required, compared to the large number of patrons served.
