Executive Summary

This offer is for the operation of 150 beds at MCIJ. MCIJ is a medium security, direct supervision corrections facility. Operation ensures the proper custody, control and supervision of detained pretrial inmates and sentenced offenders.

Program Summary

The Inverness Jail is a direct supervision, dormitory facility founded on the principles of re-engineering the responsibilities and behavior of inmates. The design and population of Inverness Jail are suited to the greatest opportunities for inmate programs, education and work opportunities.

The Inverness Jail is operated in accordance with applicable state statutes and regulations, with the goal of ensuring public safety by providing professionally managed detention services to pretrial inmates and sentenced offenders. The facility also serves as the central link for regional networking through the inmate transport system.

The Corrections Health program's mission is to ensure that inmates are not medically harmed during their jail stays, are medically and mentally stabilized, and are treated humanely. Suicide prevention is a primary goal.

Performance Measures
