**Executive Summary**

This program provides for investigation of all crimes, including those involving homicide, sexual assault, burglary, fraud and theft to citizens and business, crimes against children, the elderly and property crimes.

County-wide services provided by the Sheriff's Office includes investigations of crimes committed against children by use of technology (INTERCEPT).

**Program Summary**

Detectives investigate all crimes that are not concluded by patrol deputies. The Detective Unit is responsible for responding to the scenes of crimes, conducting preliminary and follow-up investigations, preparing the required investigative reports, preparing an analysis of the report, apprehending the suspect, preparing the case for a successful prosecution, and testifying in court. The MCSO Detectives are part of the East County Major Crimes Team. The Countywide Investigation program funds the Sheriff's Office participation in several inter-agency teams. These teams are able to pool resources and leverage personnel for more effective results.

The Detective Unit also registers approximately 450 sex offenders annually and conducts sex offender compliance sweeps.

The INTERCEPT detective works in a Multi-Sheriff Office and Department of Justice team in the tri-county jurisdiction. This detective investigates state and federal laws relating to crimes against children, child pornography, child exploitation and the use of computers to promote these crimes.

The Elder Abuse detective also works in a multidisciplinary team that works together to help keep seniors safe and investigates crimes against the elderly. The primary purpose of the Elder Abuse Detective is to help victims— current victims, future victims, potential victims. When elders are financially abused the best way to help them is to give them a sense of justice through effective investigation and prosecution which can result in restitution as part of the judgment. This detective works directly and is housed with Multnomah County Adult Protective Services.
