Executive Summary

The Justice Reinvestment Detail (JRD), which is a multi-jurisdictional enforcement detail comprised of the Portland Police Bureau, Gresham Police Department, Multnomah County Sheriff’s Office, Troutdale Police Department, and Fairview Police Department, was developed to support the successful community supervision of the Multnomah County Justice Reinvestment Program (MCJRP) offenders.

Program Summary

The Multnomah County Justice Reinvestment Program (MCJRP) is a collaborative effort to improve the assessment of criminal offenders in Multnomah County and provide a continuum of community-based services and sanctions. This combination of early assessment and intervention is provided to reduce recidivism while protecting public safety. Success is only possible through the partnership of the participating MCJRP members.

In cooperation with parole and probation officers, enforcement officers serve arrest warrants and detainers, assist with home visits, and pro-actively patrol areas in which offenders reside or commit crimes. This program offer would fund 1 FTE Enforcement Deputy to work in conjunction with a City of Portland Police Officer in the community supporting the Justice Reinvestment program.

Effective intervention to increase the likelihood of success for MCJRP eligible individuals and protect public safety requires swift/certain sanctions, home visits, and enforcement of court orders and warrants. This makes individuals accountable to program and supervision requirements while they are in the community.

More than 60 Law Enforcement Officers and Sheriff’s Deputies from all partner agencies have volunteered for overtime shifts to participate in the JRD. The JRD appears to be successful in providing the identified benefits. However, it is agreed that rotating officers and deputies is not optimal because it limits consistent contact and practices to most effectively support the partnership with PPOs.
