Program Description

The Sheriff and the Executive Team are dedicated to the philosophy of continuous improvement, accountability, transparency and service to the public. This is put in practice by collaboration with public and private partners, open communication, a diverse and respectful workplace, implementing operational best practices, and achieving business efficiencies through innovation. The Sheriff promotes organizational transparency by including community and governmental partners in program and policy development, specifically ensuring a public review process for policy development. As an elected Sheriff's transition year, the 2020-2022 strategic plan will be evaluated over the first year and a half to continue to guide high level goals through measurement and analysis.

The Sheriff's Office is committed to the work of equity and inclusion, for our agency and for the communities we serve. We value public trust and work to maintain and improve our relationships. One way we do this is by committing to shared learning opportunities around using an equity and empowerment lens at the executive level and more specifically through creating an EE Lens process connected to MCSO policy. Through our Equity and Inclusion Director we identify, analyze and address procedural norms, processes, and/or policies in place that creates barriers and power imbalances which prevents equal access to opportunities.

The Sheriff's Office provides professional public safety services using data-driven decision making across the four MCSO Divisions; Law Enforcement, Corrections Facilities, Corrections Services, and Business Services. The Sheriff oversees the disbursement of all funds granted to MCSO.

The Sheriff has strong partnerships with regional public officials which translate into mutual understanding, shared respect, and collective strategies for the public safety priorities that span jurisdictional lines.
